

Surgical Expertise You Can Trust

Christie M. Hirsch-Reilly, DO, FACS

Dr. Hirsch-Reilly is a board-certified general surgeon and member of the American College of Surgeons, American College of Osteopathic Surgeons, and Society of Gastrointestinal and Endoscopic Surgeons. She provides general surgical care for gastrointestinal tract disease, gallbladder and biliary disease, colon cancer, diverticular disease, anorectal disorders, including hemorrhoidal disease, as well as inguinal hernia repairs and abdominal wall reconstruction for complex hernias.

Jennifer S. Holl, MD

Dr. Holl completed fellowship training in colon and rectal surgery and is certified by the American Board of Surgery and American Board of Colon and Rectal Surgery. She is a member of the American College of Surgeons, the American Society of Colon and Rectal Surgeons, and the Association of Women Surgeons. Dr. Holl offers endoscopic, laparoscopic, and robotic surgery procedures for a wide range of conditions. She provides treatment of colon and rectal cancers, diverticulitis, inflammatory bowel disease (Crohn's and ulcerative colitis), polyps of the colon and rectum, familial adenomatous polyposis (FAP), rectal prolapse, anorectal disease, gallbladder disease, and hernias.

Iyore A. James, MD, FACS

Dr. James is certified by the American Board of Surgery and the American Society of Transplant Surgery. She serves on the advocacy committee of the Association of Nigerian Physicians in the Americas and is a founding member of United Kidney Care Foundation. She offers advanced laparoscopic procedures and surgical care related to abdominal wall repair, acid reflux disease, adrenal tumors, colon cancer, diverticular disease, foregut disorders, gallbladder disease, small intestine disease, hemorrhoids, hernia repairs, skin cancers, and stomach disease.

Paul J. Orland, MD, FACS

Dr. Orland is fellowship trained and board certified with the American Board of Surgery in Vascular and General Surgery. He is a member of the Alpha Omega Alpha Honor Medical Society. He has a special interest and expertise in the management of vascular disease, both arterial and venous disorders. He provides the full range of surgical care, including diagnosis and treatment, for varicose veins and venous insufficiency, peripheral arterial disease, abdominal aortic aneurysms, carotid artery disease, dialysis access, and diagnostic evaluation with ultrasound technology.

Eric L. Wallace, MD, FACS

Dr. Wallace has a special interest in advanced laparoscopic and minimally invasive surgical procedures to minimize pain and speed recovery for his patients. He is trained in robotic surgery on the Da Vinci Surgical System, and teaches robotic surgery to other surgeons around the country. Dr. Wallace provides surgical care related to abdominal wall repair, acid reflux, adrenal tumors, anorectal disorders, colon cancer, hemorrhoid disease, hernia repair, skin cancers, small intestine disease, colon polyps, spleen disorders, and stomach disease.

Leah Alexander, PA-C

Leah Alexander, PA-C, is a licensed and certified physician assistant and an active member of the American Academy of Physician Assistants and Metrolina Association of Physician Assistants. During her medical studies, Leah completed an extensive array of clinical rotations in numerous hospitals throughout Virginia and North Carolina, with a focus on general surgery.
