

# Surgical Expertise You Can Trust

## Jason S. Burgess, MD, RVT, FACS

Dr. Burgess is board certified in Vascular Surgery. He has special expertise in both open and endovascular surgery (minimally invasive vascular surgery) to treat all arterial and venous diseases, including varicose veins and venous reflux. He is a Registered Vascular Technologist, specializing in the noninvasive diagnostic workup of patients with ultrasound technology. Dr. Burgess serves as the Medical Director of the ICAVL-accredited vascular lab at Surgical Specialists of Charlotte. Additionally, he specializes in vein care and the minimally invasive treatment of venous disease at the Vein Care Center of Surgical Specialists of Charlotte.

## Thomas B. McElwee, MD, FACS

Dr. McElwee is board certified with the American Board of Surgery and is a Fellow of the American College of Surgeons. He provides a full range of general surgical care and performs laparoscopic procedures when appropriate. He performs surgery for breast cancer and benign breast disease; hernia repair; gallbladder and biliary disease, including the pancreas; small intestine disease; colon cancer and diverticular disease; anorectal disorders, including hemorrhoid disease; and skin cancer and skin lesions. He also performs varicose vein surgery and ultrasound-directed closure of varicose veins.

## Paul J. Orland, MD, FACS

Dr. Orland is fellowship trained and board certified with the American Board of Surgery in Vascular and General Surgery. He is a member of the Alpha Omega Alpha Honor Medical Society. He has a special interest and expertise in the management of vascular disease, both arterial and venous disorders. He provides the full range of surgical care, including diagnosis and treatment in varicose veins and venous insufficiency, peripheral arterial disease, abdominal aortic aneurysms, and carotid artery disease; dialysis access; and diagnostic evaluation with ultrasound technology.

## Osarumen Okunbor, MD

Dr. Okunbor is a fellowship-trained vascular surgeon. He provides advanced surgical care and procedures related to abdominal aortic aneurysms, arterial/venous disease, carotid artery disease, diagnostic vascular evaluation with ultrasound, dialysis access surgery, open/endovascular surgery, peripheral arterial disease, and varicose veins/venous reflux. He also offers minimally invasive treatment of venous disease at the Vein Care Center of Surgical Specialists of Charlotte.

## Lee C. Pederson, MD, FACS

Dr. Pederson is board certified with the American Board of Surgery and is a Fellow of the American College of Surgeons. He is a member of the Society of Surgical Oncology and the American Association of Endocrine Surgeons. Dr. Pederson provides the full range of general surgical care and has advanced fellowship training in cancer and endocrine surgeries. He has specialized training in and experience with minimally invasive approaches to melanoma and breast cancer called lymphatic mapping and sentinel lymph node biopsy. He is credentialed to place the Mammosite® catheter for accelerated partial breast radiation therapy to treat breast cancer. He also has advanced training and expertise with gastrointestinal tumors and endocrine surgery, including thyroidectomy and minimally invasive parathyroidectomy.

## Kristin E. Wagner, MD, FACS

Dr. Wagner is board certified with the American Board of Surgery and is a Fellow of the American College of Surgeons. She is also a member of the American Association of Endocrine Surgeons and the Mecklenburg County Medical Society. Dr. Wagner has advanced fellowship training in endocrine surgery and specializes in thyroid and parathyroid disease and adrenal tumors. She also performs surgery, including laparoscopy when appropriate, for hernias and gallbladder disease.
