

Surgical Expertise You Can Trust

Jason S. Burgess, MD, RVT, FACS

Dr. Burgess is board certified in Vascular Surgery. He has special expertise in both open and endovascular surgery (minimally invasive vascular surgery) to treat all arterial and venous diseases, including varicose veins and venous reflux. He is a Registered Vascular Technologist, specializing in the noninvasive diagnostic workup of patients with ultrasound technology. Dr. Burgess serves as the Medical Director of the ICAVL-accredited vascular lab at Surgical Specialists of Charlotte. Additionally, he specializes in vein care and the minimally invasive treatment of venous disease at the Vein Care Center of Surgical Specialists of Charlotte.

Paul J. Orland, MD, FACS

Dr. Orland is fellowship trained and board certified with the American Board of Surgery in Vascular and General Surgery. He is a member of the Alpha Omega Alpha Honor Medical Society. He has a special interest and expertise in the management of vascular disease, both arterial and venous disorders. He provides the full range of surgical care, including diagnosis and treatment in varicose veins and venous insufficiency, peripheral arterial disease, abdominal aortic aneurysms, and carotid artery disease; dialysis access; and diagnostic evaluation with ultrasound technology.

Kristin E. Wagner, MD, FACS

Dr. Wagner is board certified with the American Board of Surgery and is a Fellow of the American College of Surgeons. She is also a member of the American Association of Endocrine Surgeons and the Mecklenburg County Medical Society. Dr. Wagner has advanced fellowship training in endocrine surgery and specializes in thyroid and parathyroid disease and adrenal tumors. She also performs surgery, including laparoscopy when appropriate, for hernias and gallbladder disease.
