

Surgical Expertise You Can Trust

Jennifer S. Holl, MD

Dr. Holl completed fellowship training in colon and rectal surgery and is certified by the American Board of Surgery and American Board of Colon and Rectal Surgery. She is a member of the American College of Surgeons, the American Society of Colon and Rectal Surgeons, and the Association of Women Surgeons. Dr. Holl offers endoscopic, laparoscopic, and robotic surgery procedures for a wide range of conditions. She provides treatment of colon and rectal cancers, diverticulitis, inflammatory bowel disease (Crohn's and ulcerative colitis), polyps of the colon and rectum, familial adenomatous polyposis (FAP), rectal prolapse, anorectal disease, gallbladder disease, and hernias.

Cara E. Hudson, DO

Dr. Hudson completed her surgical residency at the Swedish Medical Center in Denver, Colorado, and is a graduate of the Virginia College of Osteopathic Medicine. She provides the full range of general surgical care related to acid reflux disease, gallbladder and biliary disease, GI tract, hernia repairs, hiatal hernia repairs, pancreas disorders, inguinal hernia repairs, skin cancers and/or skin lesions, small intestine disease, stomach disease, and thyroid disease.

Natalie L. Nowak, DO

Dr. Nowak is a board-certified general surgeon and member of the American College of Surgeons, American College of Osteopathic Surgeons, and American Hernia Society. Dr. Nowak provides the full range of general surgical care, with specific interests in minimally invasive gastrointestinal surgery as well as complex hernia repair. She also provides general surgical care for gastrointestinal tract disease, gallbladder and biliary disease, colon cancer, diverticular disease, anorectal disorders, including hemorrhoidal disease, as well as inguinal hernia repairs and abdominal wall reconstruction for complex hernias.

Steven D. Thies, MD, FACS

Dr. Thies is certified by the American Board of Surgery. He is a Fellow of the American College of Surgeons and past president of Surgical Specialists of Charlotte. His special interests include minimally invasive surgery, gastrointestinal surgery and complex hernia repairs. Most of his procedures are done from a laparoscopic approach to minimize pain and speed recovery. He also provides a broad range of general surgical care, including: breast cancer and benign breast disease, hernia surgery, stomach disease, including acid reflux disease, gallbladder and biliary disease, small intestine disease, colon cancer, diverticular disease, anorectal disorders, including hemorrhoid disease, skin cancers and skin lesions.

Leslie T. Webster III, MD, FACS

Dr. Webster is board certified in general surgery and is a Fellow of the American College of Surgeons. Dr. Webster provides a full range of general surgical specialty care including: breast cancer and benign breast disease, hernia surgery, stomach disease, including acid reflux disease, gallbladder and biliary disease, including the pancreas, small intestine disease, colon cancer and diverticular disease, anorectal disorders, including hemorrhoid disease, skin cancers and skin lesions. Dr. Webster is experienced in laparoscopic and robotic minimally invasive surgery.

Louis H. Zbinden III, MD, FACS

Dr. Zbinden is board certified in general surgery and is a Fellow of the American College of Surgeons. He performs laparoscopic procedures when appropriate and provides the full range of general surgical care for: thyroid and parathyroid disorders, hernia surgery, stomach disease, including acid reflux disease, gallbladder and biliary disease, including the pancreas, small intestine disease, anorectal disorders, including hemorrhoid disease, skin cancers and skin lesions, and benign breast disease. He provides all modes of treatment of varicose veins and venous stasis disease, including radio frequency ablation, phlebectomy and sclerotherapy.
